

Declaration of Compliance

Description	Material	Article Number
<i>Dental sticks wood</i>	<i>Birch wood</i>	353830

Duni declares that the article meets the requirements of:

- Article 3, 11(5), 15 and 17 of Regulation (EC) No 1935/2004 (Framework regulation)
- EU Regulation 2023/2006/EC (GMP)

Field of Application

The dental sticks are supposed to be used for oral hygiene.

Product Safety

The dental sticks are manufactured from virgin FSC certified birch wood and the wood origins from trees that have been growing on the “Swedish highland” with no further treatment.

Analysis of the material performed by an independent institute shows the tested samples meet the requirements of the French Note d’information no. 2012-93 for specific migration of formaldehyde and content of PCP. See details in Annex I.

No PFAS (Per- and polyfluoroalkyl substances) are intentionally added.

Please be advised that Duni AB does not add anything into the product.

This document of compliance is based on:

- Documentation from manufacturer
- Test reports

Annex I

Summary of result according to BfRXXXVI

Test	Result
Sensory Analysis	Pass
Content of PCP (Pentachlorophenol)	Pass
Specific migration of Formaldehyde	Pass
